

CAPABILITY OVERVIEW

Delivering the Right Equipment Hire Solutions for Every Project

YES EQUIPMENT RENTAL

A dynamic, service-driven Equipment Hire provider supporting construction, civil, infrastructure, and industrial projects. As a new entrant to the hire industry, we bring fresh energy, modern systems, and a strong commitment to excellence, safety, and sustainability.

With over 26 years of industry experience across Specialised and General Hire, as well as hands-on experience as end users and contractors, we bring a deep, practical understanding of what it takes to deliver at the highest level. From frontline operations to Senior Sales Management and Fleet Management, our background gives us a unique perspective on what customers truly need - reliability, efficiency, and trust.

We deliver flexible hire solutions. From one-off equipment needs to complex multi-site project support, we ensure you get what you need, at the right time, with the right support.

MAKE HIRING EASY

Simple, Reliable Hire Solutions. One phone call is all it takes to get the job done.

Our team removes the hassle from Equipment Hire by providing safe, clean, and high-quality equipment, delivered on time and maintained to the highest standards. We pride ourselves on efficiency, consistency, and a commitment to excellence, ensuring every hire meets your expectations the first time, every time.

With a strong focus on safety, reliability, and 24/7 customer service, we make Equipment Hire straightforward and hassle free, allowing you to focus on what matters most.

OUR CORE PILLARS

PASSION

Our customer-first approach drives us to deliver responsive, dependable, and professional services you can trust 24/7

EXCELLENCE

Our dedication to delivering exceptional equipment quality, outstanding operational performance, and superior customer satisfaction is matched by our strong commitment to continuous improvement.

SAFETY

Safety underpins everything we do. It is more than a requirement at YES, it is a fundamental commitment integrated into every process, every piece of equipment, and every interaction. We invest in high quality equipment, maintain it to the highest standards, and prioritise ongoing training and development for our people. Through the use of modern technology and systems, we ensure performance, compliance, and peace of mind.

FLEXIBILITY

Whether you need a single piece of equipment or a complete project solution, we provide Hire Solutions that scale with your business needs. We are committed to delivering win-win outcomes and genuine value for money, without ever compromising on safety, quality, or service.

SUSTAINABILITY

Equipment Hire naturally supports sustainability by maximising asset utilisation. By enabling shared access to a diverse fleet, we reduce unnecessary waste, minimise resource consumption, and help both businesses and private users avoid redundant capital expenditure. This model promotes more efficient use of equipment, extending asset lifecycles while supporting a more circular, responsible approach to operations.
